

Associate Director - Solution Architecture, DDIT US&I

Job ID

REQ-10078998

Jun 11, 2026

LOC_ES

About the Role

Key Responsibilities

- Define reference architecture for commercial data and AI products aligned with enterprise standards
- Architect integration between data platforms and AI tools for omnichannel engagement and analytics
- Design scalable, modular solutions supporting multiple markets, brands, and data domains
- Collaborate with product managers, data scientists, and engineers to guide solution delivery
- Enable full lifecycle of data and AI within secure, compliant environments
- Ensure architectural compliance with GxP, data privacy, and consent management standards
- Recommend modern technologies to enhance personalization, targeting, and performance analytics

Essential Requirements

- Proven ability to lead cross-functional architecture efforts across business, data, and technology teams
- Strong understanding of security, compliance, and privacy regulations in pharmaceutical commercial settings
- Experience with commercial pharma data ecosystems such as IQVIA, Veeva, and Symphony
- Familiarity with customer data platforms, identity resolution, and marketing automation tools
- Expertise in integrating solutions across Martech, CRM, and omnichannel systems
- Deep knowledge of AI/ML architectures supporting commercial use cases like recommendation engines and predictive analytics

Desirable Requirements

- Bachelor's or master's degree in computer science, engineering, data science, or a related field
- 10+ years of experience in enterprise or solution architecture, preferably in pharmaceutical commercial functions

Commitment to Diversity and Inclusion

Novartis is committed to building an outstanding, inclusive work environment and diverse teams representative of the patients and communities we serve.

Role Requirements

Why Novartis: Helping people with disease and their families takes more than innovative science. It takes a community of smart, passionate people like you. Collaborating, supporting and inspiring each other. Combining to achieve breakthroughs that change patients' lives. Ready to create a brighter future together? <https://www.novartis.com/about/strategy/people-and-culture>

Benefits and Rewards: Learn about all the ways we'll help you thrive personally and professionally.
