

# Manager, Environmental Sustainability Data & Analytics

Job ID

REQ-10080034

Jun 10, 2026

LOC\_IN

## About the Role

### Key Responsibilities

- Drive environmental performance reporting through strong collaboration across internal and external stakeholders
- Implement and maintain processes ensuring timely reporting of environmental key performance indicators across sites
- Ensure readiness for emerging regulations including Corporate Sustainability Reporting Directive and Green Taxonomy
- Support senior leadership with data-driven insights to guide environmental sustainability decisions
- Drive execution and delivery of sustainability targets across climate, waste, and water
- Support assurance of sustainability indicators in line with ISAE 3000 and applicable standards
- Support product carbon footprint assessments as needed in line with evolving guidelines
- Improve data accuracy, quality, and controls to meet evolving regulatory requirements
- Prepare monthly environmental performance reports for senior leadership
- Support training and communication initiatives to build sustainability capabilities across teams

### Essential Requirements

- Master of Business Administration with degree in engineering, technology, or related technical or scientific field
- Around 5 to 6 years of relevant experience in environmental sustainability preferably with leading consulting organizations
- Strong experience in data analytics, performance reporting, and working with cross-functional stakeholders
- Hands-on experience reporting environmental sustainability performance aligned with Greenhouse Gas Protocol and similar standards
- Advanced skills in Microsoft Excel and PowerPoint
- Fluent in English, both written and spoken
- Strong communication skills with proactive and self-driven working style
- Ability to work effectively in a global matrix organization

### Desirable Requirements

- Experience driving execution of environmental sustainability strategy and targets within multinational organizations

### Commitment to Diversity and Inclusion

Novartis is committed to building an outstanding, inclusive work environment and diverse team representative of the patients and communities we serve.

### Accessibility and Accommodation

Novartis is committed to working with and providing reasonable accommodation to individuals with disabilities. If, because of a medical condition or disability, you need a reasonable accommodation for any part of the recruitment process, or in order to perform the essential functions of a position, please send an e-mail to [diversityandincl.india@novartis.com](mailto:diversityandincl.india@novartis.com) and let us know the nature of your request and your contact information. Please include the job requisition number in your message.
