About the Role

Key responsibilities

- Define and execute the commercial portfolio strategy aligned with business objectives while identifying growth opportunities and optimising portfolio value.
- Partner with Value & Access and Therapeutic Area teams to shape portfolio direction and ensure disciplined prioritisation and resource allocation across brands.
- Lead portfolio budgeting and forecasting processes, ensuring alignment with financial targets and proactively managing deviations.
- Drive inputs into annual planning cycles and quarterly business reviews to support financial performance and investment decisions.
- Oversee portfolio performance tracking across financial and market indicators, identifying risks, trends, and opportunities.
- Deliver high-quality, data-driven insights and reporting standards, including dashboards, to support strategic decision-making.
- Drive excellence in pricing, tenders, and distribution, optimising commercial offers and improving competitiveness and margins.
- Ensure effective coordination across commercial channels, including hospital, wholesale, and pharmacy.
- Act as a strategic partner across Finance, Legal, Compliance, Supply Chain, and Commercial teams, ensuring governance and regulatory compliance.
- Lead, develop, and coach a high-performing team, strengthening capabilities in portfolio management, analytics, and commercial decision-making.

Requirements

- Bachelor's degree in business, finance, science, or related field (advanced degree such as MBA preferred); fluent in English with additional country language desirable; 8+ years of relevant experience.
- Proven experience in portfolio management, commercial operations, finance, or related functions within pharmaceutical, healthcare, or similarly regulated industries.
- Strong track record in managing portfolio performance, budgeting, and forecasting at scale.
- Experience in pricing, tender management, and trade operations with understanding of commercial levers.
- Expertise in portfolio strategy, financial planning, and performance management.
- Advanced analytical skills with ability to translate complex data into actionable insights.
- Solid understanding of commercial and market dynamics, including pricing and distribution channels, as well as regulatory environments.
- Strong stakeholder management, collaboration, and communication skills with ability to influence without authority.
- Proven leadership capability with experience developing teams and driving a high-performance culture.
- Strategic mindset with strong prioritisation, decision-making, accountability, and focus on continuous improvement and operational excellence.

Rewards

At Novartis, we're committed to reimagining medicine together - and rewarding the people who make it happen.

Expected Annual Base Salary Range for role:

· Poland: PLN 244,500 - 454,100

The salary offered is determined based on gender-neutral objectives, such as relevant skills, competencies and experience in accordance with the Novartis pay setting policy and upon joining Novartis will be reviewed periodically.
