

QC Analyst II

Job ID

REQ-10076279

Jun 24, 2026

LOC_CH

About the Role

Key Responsibilities:

- Maintain compliance with current Standard Operating Procedures (SOPs), GxP-compliant documentation, and records within the Novartis quality management system.
- Perform and evaluate analytical tasks in a pharmaceutical laboratory, including working in shifts where necessary.
- Ensure the integrity of all quality assurance records and data, as applicable, and foster collaboration between your team and other functions and departments.
- Ensure an appropriate level of education and GxP knowledge.
- Support quality audits and health authority inspections.

Essential Requirements:

- Experience in quality assurance and analytical skills.
- Proficiency in analytical technologies (e.g., HPLC, GC, titration).
- Knowledge in the use of lab-specific software (e.g., Empower, Chromeleon, TiAmo).
- GMP experience and technological expertise.
- Willingness to work in shifts.
- Fluency in German and English.

Commitment to Diversity and Inclusion / EEO: Novartis is committed to building an outstanding, inclusive work environment and diverse teams representative of the patients and communities we serve.

Accessibility and accommodation: Novartis is committed to working with and providing reasonable accommodation to all individuals. If, because of a medical condition or disability, you need a reasonable accommodation for any part of the recruitment process, or in order to receive more detailed information about the essential functions of a position, please send an e-mail to diversity.inclusion_ch@novartis.com and let us know the nature of your request and your contact information. Please include the job requisition number in your message.

Role Requirements

Why Novartis: Helping people with disease and their families takes more than innovative science. It takes a community of smart, passionate people like you. Collaborating, supporting and inspiring each other. Combining to achieve breakthroughs that change patients' lives. Ready to create a brighter future together? <https://www.novartis.com/about/strategy/people-and-culture>

Benefits and Rewards: Learn about all the ways we'll help you thrive personally and professionally.
